## Budda-Box Inc

### What is Budda Box?

Budda-Box offers support to those, in Marquette County, who have been diagnosed with cancer and their families. Marquette County has the highest rate of reported cancer, per capita, in the State of Wisconsin. It is because of the strength of our community that we are able to assist our clients with expenses incurred. Through monies raised from our annual gourmet dinner, auction and golf-outing, donations from businesses, private donations, and various other fund raising events, we offer both financial and emotional support.

### Directions to the Montello High School:

Coming from Portage, go North on 51 about 15 miles to exit 106 towards Oxford/Montello. Turn Right onto Hwy 23 towards Montello. Go about eight miles into Montello and turn left onto West Park Street (this will be the turn right after the cemetery on your left and you will turn right before the bank, which would be right in front of you). Take the second left onto Douglas Ave, take your first right onto Forest Lane. The school is three blocks on Forest Lane on your right. Pull into the parking lot across the street from the Care Center. Come in the building, go down to the left. .
